PRIVATE CLINICAL PRACTICE

Consultation and Intervention	1973–present
<i>Focus:</i>	
Mind-body-spirit multidisciplinary collaborative focus on competence and empowering children, families, businesses (especially family businesses) and communities to deal with transitions and relationships. Includes: premarital counseling, child and adolescent issues, aging, and the challenges that come with enduring and overcoming trauma, addiction and chronic or life-threatening illness.	
Consultation on intervention, therapy, program evaluation and outcome; integrating families into treatment programs.	
<i>Specialty Areas:</i>	
(1) Accessing Resilience to deal with major life crises and performance enhancement: Trauma (human-made or natural disaster), PTSD, etc.	
(2) Accessing resilience in families during and after domestic violence and/or human-made and natural disaster	
(3) Working with trauma survivors and witnesses and their families and communities (e.g., during and after the Bosnian and Kosovar wars; Taiwan after earthquakes and floods; US after Katrina)	
(4) LINC COMMUNITY RESILIENCE: facilitating community resilience and grief resolution for empowerment to overcome challenges (including trauma and violence) and achieve long-term goals	
(5) Consultation to members of the judiciary regarding domestic violence, intimate partner violence	
(6) Consultation to family businesses of all sizes	
(7) Consultation to families (of blood and/or choice) at all stage of the family life cycle including issues of gender identity and GLBTQ)	
(8) Relocation and cultural transition with particular focus on refugees and those displaced or disconnected through violence (domestic or mass disaster)	
(9) ARISE® Comprehensive Care with Invitational Intervention® (individuals, families, organizations struggling with chronic or relapsing physical, behavioral or mental health challenges) with the goal of long-term recovery, healing, and health for individual and family	
(10) Past life regression hypnosis therapy and other spiritual counseling	
(11) Program evaluation and outcome

1985–1996	Addiction Psychiatry Program, Department of Psychiatry, University of Rochester Medical Center

RESEARCH PROJECTS OVERVIEW

Adaptation of ARISE research protocols for application in real world communities:

ARISE Intervention and Continuing Care – for engaging and maintaining resistant substance abusers in treatment, and increasing engagement and treatment compliance in chronic illness

- (a) Testing ARISE with co-occurring disorders
- (b) Testing ARISE with process addictions
- (c) Testing ARISE with chronic illness

- (d) Pilot: Stanley Street Addiction Resources (SSTAR) and Gosnold with State of Massachusetts – adapting ARISE for chronic addiction relapse after multiple detox with no days sober.

Testing the LINC Model of Community Resilience for Enhancing Family and Community Resilience, Reconciliation and Coexistence in post-trauma countries and communities,

Transitional Family Therapy for treatment and aftercare of addiction, and

Testing LIFE – Link Individual Family Empowerment – for HIV/AIDS prevention and for prevention and long-term recovery from domestic violence). *Past projects in Hawaii, US; Kosova; New York City, New York, US. Current project funded NIMH see below.*

Intervention and Evaluation Development:

The use of natural helpers in individual, family, and community prevention and treatment

Enhancing family and community resilience. *Past project, New York City, New York, US and Kosova*

Developing a public health, mental health and addiction service for Kosovo. *Past project.*

Instrumentation: Development of family assessment tools for studying intergenerational processes, cultural transition, and family and community resilience. *Past project, New York City, New York.*

HIV/AIDS and Addiction: Family/Community interventions in the prevention and treatment of HIV/AIDS and substance abuse. *Past project, Kosova*

Intergenerational factors in family resilience and vulnerability in chronic and life-threatening illness and risk-taking behaviors: HIV and HIV/AIDS, Sexually Transmitted Diseases, Cancer, Substance Abuse

Cross-cultural and Trauma studies: process of cultural transition and trauma – their impact on mental health and family patterns; prevention and intervention.

Intergenerational family patterns and adaptation to stress in the genesis of substance abuse and the sequelae of war and trauma.

Impact of Mild Traumatic Brain Injury on Family Relationships, including Identity Ambiguity and Ambiguous Loss: qualitative and quantitative pilot study.

GRANTS AND CONTRACTS

Gruben Charitable Foundation: Building resilience for families and communities to deal with the opiate epidemic. Starting with 1-Day Symposium on September 9, 2019. Followed by ARISE® protocol training of professionals in mental health clinics and hospital. Judith Landau and Gale Saler, consultants
ARISE® Consulting to Trioria, The Hague: Applying Transitional Family Therapy (TFT) and ARISE® philosophy, principles and techniques to residential treatment for co-occurring disorders. Triora, The Hague, Netherlands. September 3-5, 2018.
State of Massachusetts ADCARE. Consultation, training, supervision, for Certified ARISE Interventionists Part I: Fall River, MA April 13, 2017
State of Massachusetts ADCARE. Consultation, training, supervision, for Certified ARISE Interventionists Part I: Fall River, MA April 13, 2017
Oregon Trail Recovery. Consultation to improve engagement rates, reduce AMA rates, improve staff retention, communication and change philosophy. Training of complete staff January to March, 2017.
Acadia Treatment Centers: Four Circles Recovery Program. Consultation to reduce AMA rates, improve communication, quality of care, and involvement of families. Training of complete staff. October to December, 2016. Asheville, NC.
Cumberland Heights Addiction Treatment Center, consultation to reduce AMA rates, improve staff retention, communication and change philosophy. Training of complete staff (350). Bellevue, TN. February to June, 2016
NorthStar Academy. Consultation and training of entire staff to improve retention rates, quality of care, and involvement of families. Rockville, MD. April to July, 2015.
Consultation and Evaluation to City of Aurora and Community Action Committee of Aurora Strong Community Resilience, Director-Ernest Duff: 2014 - 2017
National Institute of Mental Health (NIMH). University of Rochester: SUPPORT (incorporating the LIFE intervention): a group/family method for empowering abused women to prevent abuse, STDs, and HIV: KO1-P.I. Mona Mittal 2012–2014. Judith Landau consultant.
ARISE® Comprehensive Care with Invitational Intervention® to increase ATS treatment continuation among individuals with a history of frequent ATS admissions and low treatment engagement. Stanley Street Treatment And Resources (SSTAR), 2007–2008.
Clinical Trial to examine the impact of a 10-session, multi-family group intervention–Kosovar Families Address Risk in Youth (KFARY) – for reducing HIV/AIDS risk behaviors in at risk 13- to 16-year-olds in Kosova. Approved by NIMH Council 2005, pending funding. PI: Stevan Weine and Ferid Agani, Landau-Co- Investigator.
Kosovo Ministry of Health and European Agency for Reconstruction (EAR). Establishment of Tertiary Addiction Treatment, Training and Resource Center, and Services for Kosova. P.I. Judith Landau. 2004–2005. \$175,000. Contract Renewable for 5 years.
Private Donors. Impact of Mild Traumatic Brain Injury (MTBI) on Family Relationships, including Identity Ambiguity and Ambiguous Loss. P.I. Judith Landau. 2004. \$3,000.
Ministry of Health, Kosova and European Agency for Reconstruction (EAR). Kosova Substance Abuse Tertiary Referral, Resource, Information and Treatment Center (SATRAT) within the Department of Psychiatry, Pristina, Kosova. PI. Judith Landau. 2004–2005. \$140,000.
Kosovo Inter-Ministerial Task Force on Substance Abuse: KADAH (Kosovar Attitudes towards Drugs and HIV/AIDS) – an ethnographic study P.I.s Stevan Weine and Ferid Agani. Landau-consultant. 2002–2004.
Natyra Agani – Ph.D. Doctoral Candidate, Institute on Family and Neighborhood Life, Clemson University, Clemson, SC. Ph.D. Doctoral Committee. March 2009–2010.
Consultant to Barry Loneck, Ph.D., State University of New York, Albany, in applying for federal funding for applying ARISE to a welfare population served by Social Services. 2003.
American Joint Board; University of Illinois, Chicago, New York University; LINC Foundation. KFPEC (Kosovar Family Professional Educational Collaborative) – a collaborative education and training venture in developing culturally appropriate family-focused, resilience-based health and mental health services for post-war Kosova. P.I.s Stevan Weine, Ferid Agani, Judith Landau, and John Rolland. 1999–2002.
National Institute of Alcohol Abuse and Alcoholism (NIAAA). Family and Group Therapies for Adolescent Alcohol Abuse. (1 RO1 AA 12178–01). P.I. M.D. Stanton. Co-investigator, then Consultant. Sept. 30, 1998–April 30, 1999.
National Institute of Drug Abuse (NIDA), Levels of Intervention for Engaging Cocaine Abusers (1 RO1 DA09402). PI – M.D. Stanton. Co-Investigator. 1995–June 30, 1997 – three-year budget, \$390,000.
NIDA Treatment Initiative, 1995/1996/1997 Stage 1 Investigators’ Meeting. Presentation entitled “Levels of Intervention for Engaging Cocaine Abusers.” Public Health Services, National Institutes of Health/National Institute on Drug Abuse. April 23–24, 1997.

Administrative supplement for the study of drug abuse and AIDS. PI – J. Landau, June 25, 1997-May 31, 1998. \$53,000.
Private Donors. Link-Individual Family Empowerment to Reduce Risk of HIV/AIDS and Other Sexually Transmitted Diseases. Pilot Study. PI. 1995–1998. \$5,000.
Anonymous Foundation. International Center for Addiction and AIDS Training. PI. 1994–1995. \$10,000.
Substance Abuse and Mental Health Service Administration (SAMHSA/CSAT), Addiction Technology Transfer Center (ATTC). New York State Office of Alcoholism and Substance Abuse Services (OASAS). Sept. 1993–Aug. 1998. — \$712,179 – Year 1. Subcontract PI September, 1993–June, 1996 — \$69,500; Chair, Committee on Supervision and Clinical Sites. Member Planning Committee 1993–1998. PI. Training Grant – Family systems and Addiction, 1996–1997 — \$26,000. Co-Investigator, Training Grant Addiction and Family or Origin Issues, 1996–1997. \$25,000.
Anonymous Foundation. International Center for Addiction and AIDS Training. PI. 1993–1994 — \$10,000.
New York State Department of Health AIDS Institute, New York State Physician Training Program. PI – Jan. 1, 1992–June 30, 1993 — \$175,000.
